

ALL4ONE

T R A N S P O R T

ALL4ONE Transport is an innovative Logistics Solutions company which has established itself within the South African market. From inception in 2007, ALL4ONE Transport has strived to provide the highest level of affordable, reliable and convenient transport solutions to our wide range of customers. Courier and consolidation services were the foundation of our company and was the platform to expand into other logistic service offerings. As our clients' needs developed, so did the service offerings of ALL4ONE Transport.

THE COMPANY

Based in Gauteng with footprints nationally and internationally, ALL4ONE Transport is able to provide our clients with a comprehensive spectrum of logistic solutions throughout South Africa, Sub Saharan Africa and Internationally.

Over the years the our experience and dedication, absolute control of projects and the understanding of today's needs in terms of service, efficiency and reliability, have allowed ALL4ONE Transport to provide a unique service tailored to suit each and every client.

Our clientele represent various industry sectors and include small to medium business enterprises as well as larger Blue Chip Corporations.

OUR TEAM

Client service and satisfaction are fundamental to the success of ALL4ONE Transport. Our team is made up of individuals who are passionate and dedicated to service excellence. Each member is a specialist in their specific field yet work together towards a common vision.

We are able to direct individual accomplishments towards organisational objectives and thus provide high standards of service. We are strategically aligned with service providers who have a proven track record and share our business philosophy.

SERVICES

ALL4ONE Transport is well placed to offer our clients flexible, tailor-made services to ensure that our clients' individual and unique business needs are met. Combining an innovative and pro-active approach to our transport and material handling services, we have been able to provide solutions that adapt yet still maintain service excellence.

Specialised needs require specialised solutions; we make sure that the service supplied is the right one for the job. Services available are:

Solid partnerships with various suppliers within the road, air and sea freight industries means that our customers receive the most reliable, cost effective transport solutions.

Service excellence through passion, innovation & reliability

BUSINESS PHILOSOPHY

It is our **mission** to add value to our clients' companies, to satisfy our client's logistic needs and to encourage a spirit of partnership with our clients and suppliers. To differentiate ourselves from our competitors and to be recognised by our customers as an integral part of their success by the development of logistic solutions that are delivered with service excellence.

We believe that in today's evolving marketplace, relationships are the key to success and our focus is to establish and maintain long-term relationships with our clients and suppliers. ALL4ONE Transport strives to exceed our clients' service expectations and celebrate their growth by becoming part of your company's value supply chain. **Your success is our success.**

BLACK ECONOMIC EMPOWERMENT

ALL4ONE Transport is committed to Black Economic Empowerment. We believe that BEE is not only a contributing principle to the economic transformation of South Africa, but is also a guiding principle that adds value to any organisation. All4one is committed to skills development for staff, as well as the procurement of services from emerging black businesses. Our latest BBBEE accreditation is as a Level 4 contributor, and we constantly strive to improve our rating.

Communication is essential to our business. We encourage open communication and continuous feedback in order to meet the needs and expectations of our clients, suppliers and staff. This also enables us to constantly assess our service offering and continue to build a company based on integrity, trust and understanding.
